 The date was November 15, 2018. Students sat dressed impeccably in formal attire. Heels clicked in the hallway. It was time to throw gates open for the 10th time, the biggest event of the year – AIMUN 2018.
Meaning that makes it meaningful:

AIMUN is debate and deliberation. It is a quest and the means to fulfil the quest. It is talk and walking the talk. It is all that and more, but in simple terms it is a simulation of the United Nations that discusses global issues, promoting better understanding of the same.
Welcomes that embrace: The three day magnum opus started with the lighting of the lamp amidst chanting of *shlokas*. A warm welcome along with a *tulsi* sapling was accorded to guests. Student delegates were ushered into hour of change, as they were asked to put their best foot and argument forward by Renu Singh, Principal, AIS Noida.
Song and dance that bring happiness: Students of Amitasha, Amity's wing for the less privileged girl children, kicked started the event with the song 'Swagatam'. Following it, was the flag march where student representatives of 12 participating countries proudly waved their national flag. The auditorium was all smiles as everyone agreed to spread love and light.
Words that inspire: The combination of hard work and imagination was praised by every speaker on the

podium, daring every diplomat to dream higher. Dr (Mrs) Amita Chauhan urged the students to have the courage to change the world and make it a better place. She encouraged everyone to keep seeing every new day as a new opportunity.
Visuals that bring out emotions: If pictures speak a thousand words, then videos communicate the stories of a lifetime. That is what a special video showcasing the eight year journey of AIMUN did. The video took everyone down the memory lane, reminding how the small seed of AIMUN sown 8 years ago had metamorphosed into a tree, now bearing fruit in the form of future leaders.
Acknowledgment that motivates: The baton of responsibility must be handed if we wish to make this world of our dreams. And so, it was handed as the EB members were called on stage and gavels were handed to them amidst cheer and applause.
The gavel that beckons: And then it was the ultimate moment. The gavel beckoned everyone on a new journey, as it hit the podium accompanied with the golden words of Sec Gen, Punya Miglani "...hereby declare AIMUN'18 OPEN."
